

Hannah Shand Art

Colouring Competition

Simply colour in the tūī! Please be as creative as you like – use coloured pencils, crayons, paints, pens, pastels; it's up to you! If you are using paints, I suggest printing on a heavier weight paper than your average printing paper – e.g. with watercolour paper. There is no age limit and everyone is welcome to join in. If you share your artwork on your own social media, please tag me (@hannahshandart) so I can see your photos ☺ I hope you have lots of fun!
